

The News of Carbondale.

HARRISON BIPPED FOR SEVENTEEN HITS

Crescents Win Out Against Another Scranton Team by Swatting the Red Haired Pitcher Until They Were Wary—The Score Was 11-8 and Tony McDonald Smiled.

Tony McDonald led nine skittish base ball players from North, South, East and West Scranton yesterday afternoon to Duff's field. The team was in a jovial mood and Joe Harrison with his variety of drop-kick socks smiled ever so sweetly as his eyes rested on the crowd and then to his good right hand.

A crowd of Scranton rooters sat on the dead-end esplanade and for a time roared and shouted, aided by a small guard from the village six miles down the line where they raise only "lunquy's," etc.

It was a case of back to the tall timber after the first two innings. When the cannoning of the Crescents was checked by the close of the game "Our Pets" had seventeen hits to divide among them and would have had as many more if any were needed.

The Electric City bats were not in the running from the start and at no time was the question of victory for Carbondale in doubt. "Our Pets" made errors, had some of them, but they more than redeemed themselves with the stick. The Scranton rooters deserted the team in the fifth inning and left the field at a double quick stride as if they intended walking back.

Price of Archibald filled in at second base for the losers and delivered the goods. He had three hits, all of them timely.

From the starting of the game it was plainly to be seen that the players on the two teams were out to fatten their batting averages. Kelleher, the man of action and no words, put a sprig in several wheels and pitched a game, holding the sluggers well in hand when the result was in any danger. One of the largest crowds of the season was at the game and rooted as they pleased and when they pleased. At every stage of the game there was something doing for which applause was deserved.

Daring base running lost several runs for "Our Pets" but none of the runners erred to any great extent. The risks were great but were unsuccessful by narrow margins. The game was one of the hard hitting exhibitions of the year and every player made his little contribution with the exception of Moore, McDonald and Reed of the visitors and McAndrew and Kelleher for the Crescents.

The matinee was slow but withal was interesting to those who were there for the start did not use the exit gates until the last man was out and once more we felicitate and jubilate.

Score another for the "Pets" hard hitting which won out for them, and which has been the factor in every game the past three weeks. Harrison, one of the best pitchers who has been here this season, and has had but one or two equals. A week ago he held down the Scranton team, kept batters as Crane, Calkin and Madenspacher, to two hits in seven innings. In the face of this, the day's victory is all the more to be valued. But for Kelleher's lack of control, due to his not being pitched often enough, the Scranton team's score would be cut in half.

Table with columns: Name, R, H, O, A, E. Lists statistics for Carbondale and Scranton players.

Table with columns: Name, R, H, O, A, E. Lists statistics for Scranton players.

Notes of the Game. Flannery did some wonderful hitting, having as record three hits out of three times at bat. Two of them were

A DOCTOR'S EXPERIENCE. Medicine Not Neglected in This Case.

It is hard to convince some people that coffee does them an injury! They lay their bad feelings to almost every cause but the true and unsuspected one. But the doctor knows: his wide experience has proven to him that to some systems coffee is an insidious poison that undermines the health. Ask the doctor if coffee is the cause of constipation, stomach and nervous troubles. "I have been a coffee drinker all my life. I am now 42 years old, and when taken sick two years ago with nervous prostration, my doctor said that my nervous system was broken down and that I would have to give up coffee. I got so weak and shaky I could not work, and reading your advertisement of Postum Food Coffee, I asked my doctor if he had any of it. He said, 'Yes,' and that he used it in his family and it was all right. I commenced on Postum and now I weigh 167, and feel better than I did at 20 years of age. I am working every day and sleep well at night. My two children were great coffee drinkers, and they have not drunk any since Postum came into the house, and are far more healthy than they were before." Stewart M. Hall, Fairfield, W. Va.

two baggers, with two men on bases each time. He cleaned the bases each time.

McTiernan also hit the ball safely, making three hits one of which was a three-bagger, with one man on base. Hopkins did some great catching, and is certainly a captain. He had a little hard luck at the bat, getting only one hit, but that one was a double.

"Owlie" McAndrew played right field and made a brilliant catch out there, also making an elegant throw to third base, catching his man. Kelleher showed he was in the game when he ran over and caught Madenspacher off first. The runner had the base safely when he ran over first and turned a rocket. The mule was after him like a wreck and caught him.

There Were Other Games. The Bon Ton base ball team played the Romeos yesterday morning on Sandy's field and defeated them by a score of 16 to 11. The game was quite interesting and fast up to the seventh inning, when the Bon Tons came to bat and smashed the ball for eight runs.

The battery for the Bon Tons was Robinson and Doud. The features of the game were two home runs made by Robinson and Hoyle, and the pitching of Robinson, who struck out eleven Romeos.

The Brokers, who were to play the Bon Tons, didn't show up. The Bon Tons were very sorry, as they had been notified by two of the members the day before to play, and the Bon Tons were sure they could annihilate them.

The Typos defeated the Pink Pongers yesterday morning on Duff's field by a score of 12 to 0.

An interesting game of base ball was played on Sandy's field Saturday afternoon, when the Hendricks' Shop Men defeated the Office Hands by a score of 12 to 7.

JAS. B. M'TIGHE DEAD.

One of Carbondale's Most Popular Young Men and One Highly Regarded in This Valley Dies Suddenly.

The sudden and wholly unexpected death of James B. McTighe, on Saturday afternoon, caused a painful shock to his friends, none of whom, not even his closest, had known of any sickness that presaged immediate death.

Mr. McTighe's death took place at the McTighe household, 62 South Main street. He had been sick on and off for three days. His physician attended him on Thursday, but did not deem it necessary to call the next or succeeding day. On Saturday afternoon, while resting on the sofa, Mr. McTighe suddenly expired.

The deceased has been in somewhat frail health for ten years or more. His broken condition followed after an attack of pleurisy, when he was operated upon. He suffered more or less since then.

Mr. McTighe was a native of Carbondale, where he was born over 35 years ago. He was the son of Bernard and Catherine McTighe. His father was a conspicuous figure in the early history of Carbondale and the family is one of the oldest and most highly respected in this city. Mr. McTighe had a delightful social side and was always surrounded with friends, particularly in his earlier years before his health became broken. He was immensely popular throughout the valley. He was one of the organizers of the Crescents Social club, which was celebrated for its entertainments. He was likewise a charter member of the Andrew Mitchell home company. Recently he became a member of the Ancient Order of Hibernians. For over 15 years he was proprietor of the Elk cafe on South Main street, conducting the business up to the time of his sudden summons hence. The wide circle of friends, whose friendship he always claimed, will feel that a genial soul and good friend has departed.

The deceased is survived by his mother, Mrs. Catherine McTighe, of this city; one sister, Mrs. G. F. Walsh, Scranton, and one brother, John McTighe, who is in the west. One brother, James B. McTighe, died a few years ago in Scranton.

The funeral will take place Tuesday morning. A high mass of requiem will be sung in St. Rose church and burial will be in St. Rose cemetery.

NEED CHASTISING.

Frisky Mules From the Last Chance Bring Mine Owners Into Suit.

The average mine mule is likely to do anything that the funny papers would call "real devilish." Mr. Mule can do anything from exhibitions of high kicking that would make the kick the rest of the class show sick to getting his owners into trouble because of his doing stunts that would cause the village cut up of Honesdale look like half-past one or two.

A fractious bunch of these frisky rascals from the Last Chance, after having all kinds of fun in their pasture, have brought home a damage suit to the doors of the officials of the Temple Coal and Iron company. A few nights ago, tiring of the irksome solitude of the field on the east side, where they have been pulling grass for several weeks, decided upon seeing the sights of Carbondale, where all the electric lights could be seen from the Last Chance settlement. Breaking camp, they ran a foot race until they reached the residence of Charles H. Hazel, on Lincoln avenue. Here the mischievous mules halted to pick a few bouquets to give the winners of the race. They did their picking very well, indeed. The rose bush they picked up roots, earth and the rest of the hydrangia bush was and the rest of the hydrangia bush was put out of business as quickly as the Crescents would do the same trick to a McCain's patch team. Some of the more playful of the mules proposed a game of rabbit in the hole, and to carry on the diversion panted up holes aimed the big enough for Mr. Hazel to set out some more of the same kind of hydrangia bushes on which their mischievous had such a picnic.

This exercise on the fruit yard worked up a vegetable appetite, and, knocking down the fence that divided the garden, the Last Chancers broke through and did a mule cakewalk in the vegetable kingdom. By this time

Mr. Hetzel and family were aroused and succeeded in putting the mules on the run before they made a foot ball of the house, which might have been the next thing on the programme of sports. A few of the mules made their way down to the city, and being cared, were cared for in Morrison's livery until the next day.

Mr. Hetzel has notified the Temple Coal and Iron company that he expects to be recompensed for the damage of the mules, otherwise he will bring suit.

BOUQUET FROM ARCHIBALD.

Editorial in the Archibald Citizen of Saturday.

Hon. P. A. Philbin, editor of the Archibald Citizen, in an editorial in Saturday's issue speaks of the successful base ball season and throws a bouquet at the Carbondale newspaper men as follows:

The coming week will close the base ball season in these parts and it has certainly been a very interesting one. There has not been greater local enthusiasm shown in the national game since the Sunsets held the championship twelve or fifteen years ago. For this revival of interest credit must be given to the Carbondale newspapermen whose lurid articles on the present ball team, of that city, either amused, interested or aggravated base ball enthusiasts everywhere. The base ball editor of the Citizen has found much to condemn in the sporting literature of these brilliant young men, but he cannot withhold credit from them when credit is due, so he cheerfully throws this bouquet at them. We would like to see interest maintained in this great game; it is an interesting and healthful form of exercise and it adds variety to the dull life of summer. We hope that the managers of the various good teams in the valley will get together during the winter and organize a league that will insure first-class ball next year.

WILL HUBBARD RESIGNS.

Leaves O. and W., and Is Succeeded by Ben Stoutenger.

A change in railroad circles that will undoubtedly be fertile of discussion, is the resignation of William Hubbard, foreman of the shops of the Ontario and Western at Mayfield yard. The resignation was made known Saturday and will become effective this week.

By a peculiar coincidence, the successor of Mr. Hubbard will be Benjamin Stoutenger, who was his predecessor. Mr. Hubbard left the Delaware and Hudson where he was foreman of the locomotive shops under Master Mechanic Rennie. This was in February last. When he accepted the foremanship under General Foreman Kinney, of the Ontario and Western, it was to succeed Mr. Stoutenger. Now, Mr. Stoutenger, in turn, succeeds Hubbard.

Mr. Hubbard has not as yet decided in what direction he will turn his ability and skill. As he has a high standing in the field of mechanics hereabouts, he is already applying for passports to the best positions that may be in sight.

A GOOD MOVE.

Wayne-Susquehanna Politicians to Meet in Carbondale Today.

The much written and much discussed senatorial conference of Wayne and Susquehanna counties have at last gotten down to a working basis, and, business-like have decided to come to Carbondale to do the work that should have been done in a calendar many weeks ago. They will meet this forenoon at the American house and will endeavor to make the long-awaited nomination. The harmonious atmosphere that is to be found ought certainly to produce good results, so the anxious Republicans of Wayne and Susquehanna can hope for the best from today's meeting. The last fruitless meeting was in Honesdale last week.

The conferees are: C. M. Betz, E. H. Courtwright, H. N. Farley, Mr. Aleck, G. W. Schaff, Ralph B. Little, E. R. Barrett and Folk. Future steps of the conferees recently appointed by the state committee, Hon. Henry Wilson, of Honesdale, and William D. Alney, of Monroe.

ARCHBALD TODAY.

Crescents to Play Dougher's Men This Morning.

The game between the Crescents and Archibald which the rain prevented on Saturday will be played this morning on the Archibald grounds, commencing at 10.30. The reason for calling the game this morning is because of the Archibald team having a game on this afternoon and because of McDonald and Hogan, two of the best players intending to return to their homes tonight.

A big crowd of Carbondalians will go to Archibald with the team to help hold their own against the noisy, very noisy rooters, of Archibald. Then it is expected that the game will be well worth seeing, and that the rivalry between the teams, and which has won one game. The heavy batting clip of the Crescents will undoubtedly be a factor in today's game in favor of the "Pets" regardless of what pitcher may go in against them.

BON TON SOCIAL.

Will Take Place on Friday Evening, in Burke Building.

The Bon Ton Social club will conduct a social in the Burke building Friday evening. This club has conducted several very successful socials and the members are conspicuous in the social whirl of this town. The club has as its members some of the best-known young men of the town, and they always serve the best to the patrons.

This social will be the grand opening of the dancing class season, and the Bon Tons will conduct a dancing class every Friday evening, beginning

Happily Surprised.

Mr. H. C. Hartman, a well-known citizen of Anamosa, Iowa, has every summer for several years been troubled with attacks of diarrhoea, which were frequently accompanied by severe griping pains. "I used to call a doctor," he says, "but it became a regular summer affliction, and in my search for relief I became acquainted with Chamberlain's Colic, Cholera and Diarrhoea Remedy. This proved so effective and so prompt that I came to rely exclusively upon it, and what also happily surprised me was that while it stopped the diarrhoea it never constipated. This is a favorite remedy for diarrhoea wherever known. It is not a stringer, hence does not constipate. For sale by all druggists.

Pure and Sweet as the Skin, Scalp, and Hair of Infants Purified and Beautified by Cuticura SOAP.

MILLIONS USE CUTICURA SOAP, assisted by CUTICURA OINTMENT, for preserving, purifying, and beautifying the skin, for cleansing the scalp, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, for baby rashes, itching, and chafings, and for all purposes of the toilet, bath, and nursery. Millions of Women use CUTICURA SOAP in baths for annoying irritations and inflammations, for too free or offensive perspiration, in washes for ulcerative weaknesses, and for many sanative and antiseptic purposes which readily suggest themselves to women.

Complete Treatment, St. CUTICURA SOAP (25c) by itself cures eczema and scales and softens the thickened skin. CUTICURA OINTMENT (25c) to instantly relieve itching and inflammation, soothe and heal, and CUTICURA RESOLVENT PILLS (25c) to cleanse the blood and remove all humors. In screw-cap vials, containing 50 doses, price 25c.

Sept. 26 in the Burke building. The club's patrons and their friends are cordially invited to attend.

Prof. Collins will prompt the dance and will teach the class. He will teach several new dances. Prof. Pirih will beat the piano and will render all of the latest dance music.

BURIED IN CULM.

A Startling Accident at Racketbrook Washery.

While using a hose at Racketbrook washery Saturday, a man named Manner was buried by a slide of culm, which covered him four feet. The relief party had to work three-quarters of an hour before they could extricate him from his entombment. Fortunately for the man in the culm, the nozzle was buried with him and the water cooled the hot stuff by which he was imprisoned. The men who released him expected to find life extinct from asphyxiation, but they were agreeably surprised to find that he was alive and not seriously injured. He was taken to his home on Park street. There he is under the care of a competent physician, and the prospect of his recovery is good.

Farewell to Jimmie Crane.

Column Council, Y. M. I., tendered James Crane a pleasant farewell last evening, previous to his departure for Villa Nova college, where he will play on the crack eleven of that institution.

Mr. Crane is a very well known athlete on this side, and for the past few years played on the baseball and football teams of this side.

Last evening when he went to the hall to attend the banquet he was greeted by a number of the members and a bevy of charming young ladies, and a few hours was absorbed in the enjoyment of the evening. His many friends wish him success—Scranton correspondents.

Crane is the fast fielder who played in left garden with the Crescents in two games last week. Yesterday he played left field for Scranton in the game here. He leaves today for Villa Nova college. The numerous friends Jimmie has in Carbondale fervently wish him luck.

The First Foot Ball Game.

The first foot ball game of the season was played Saturday afternoon on Duff's field. The Carbondale High School club played the White Bridge team, and were defeated by a score of 11 to 0.

The High School kickers were badly crippled by the loss of Williams, their center and coach; Raynor, the full-back, and Robinson, a guard.

The players were very slow at first, but soon got into the game. Clarence Becker, one of the guards, had his ankle wrenched, but pluckily stayed in the game.

Rexford Copeland, their manager, is well pleased with their first trial, and thinks he has a winning team. They have several challenges out, one with Windsor and one with the Scranton High School.

Health Not Improved.

Mrs. A. R. Jones, who went to Trenton, N. J., a few weeks ago to join her husband, who is located there as advertising manager on the True American, returned to Carbondale Saturday afternoon.

Mrs. Jones, who has been in exceedingly frail health for months, hoped to remain in Trenton, but the change did not operate to her improvement, and she deemed it prudent to return to this city. Her numerous friends hope that an appreciable change for the better will be manifested in her condition.

A Good Game Expected.

There will be a good game of ball on Duff's field this afternoon. The Ontario and Western team, which will have players from Carbondale to Hanover, will meet Sam Mendelson's Mayfield team. Flannery of the Crescents, who is an Ontario and Western brakeman, will be in the game.

To Locate in Thompson.

Dr. Ernest Downton of the Medical College and Hospital of Philadelphia, has located in Thompson. Dr. Downton is a graduate of one of the best medical colleges in the country

Connolly & Wallace Scranton's Shopping Center

The busiest store in town is Connolly & Wallace's. It is thronged every day by women eager to see the new fashions. It is not only that you see the new goods first at Connolly & Wallace's, but that you see things that you see nowhere else at any time. They are exclusive.

and enters the field well equipped for the practice of his profession.

Two Births. Born—To Mr. and Mrs. Gus Fitzsimmons, of Brooklyn street, a daughter, to Mr. and Mrs. Dennis Fallon, of Belmont street, a son.

THE PASSING THROUG.

Miss Katherine Gillean, the graduate nurse and masseuse, has returned from a visit to Port Jervis, N. Y. Mr. and Mrs. L. M. Smith are spending a few days as the guests of the former's brother in Rochester, N. Y. Charles Timmons, of South Main street, returned home on Saturday from Atlantic City, where he spent his vacation.

C. M. Burt, of New York city, for a time proprietor of the Carbondale Steam laundry, is spending a few days in town. George H. Patterson and Henry Gardon, agent for naphtha-borax, will leave early next week for New York state, on several days' hunting trip. Miss Lila Stewart, of Middletown, who is one of the most capable and experienced kindness conductresses of the county was the guest of her brother, J. L. Stewart, of this city, yesterday.

JERMYN AND MAYFIELD.

The Democratic primaries were held on Saturday afternoon and were hotly waged in the Second and Third wards. The delegates to the county convention tomorrow will be Timothy Donohue, of the First ward; John Forbes, of the Second, and William Loughney, of the Third ward. The Young Men's Institute nine will this afternoon play a team composed of Ontario and Western employees on Duff's field. The railroaders are said to be an unusually strong combination and a good game is anticipated. Mrs. Edridge and Mrs. Overpeck, of Wilkes-Barre, and daughter, Mrs. Smith, of Summit, N. J., are the guests

OLYPHANT.

A gloom has been cast over the people of Blakely and Olyphant with the death of Alice, the beloved wife of D. J. Thomas and daughter of Mr. and Mrs. D. C. Phillips, of Scott avenue who are prominent and highly respected people of the community. About a year and a half ago she was wedded to Mr. Thomas. Her age was 28 years and during this short period of life she has gained a host of friends by her sweet and lovable disposition. She suffered greatly with a lingering illness, but through it all she never complained. She was a member in good standing of the Calvinistic Methodist church and has been a faithful worker when permitted to be present. So one by one God's own children are being called to his home above. She is survived by her husband, parents, three sisters, one brother and a little daughter, five months old. The funeral services will be held in the afternoon. The funeral cortege will leave the residence of her parents on Scott avenue at 1 o'clock. Interment will be made in Union cemetery.

Miss Laura O'Hara, of Dunmore, was the guest of Miss May Ferguson, of Lackawanna street, yesterday. Miss Alice Rapson, of Wilkes-Barre, who has been visiting Mr. and Mrs. Matthew Muckey, returned home yesterday.
